Date Action Filed: May 7, 2008
Trial Date: October 26, 2009

1 As Magistrate Judge Spero indicated in his September 29, 2009 Notice, the parties in the
2 above-referenced action have reached a settlement in this case, subject to the approvals of SEIU Local
3 1021, the San Francisco Department of Public Health, the San Francisco Health Commission, and the
4 San Francisco Board of Supervisors. The settlement is not final and binding unless and until these
5 approvals are obtained.

6 The parties, through their attorneys of record, hereby jointly request that the Court vacate the
7 October 26, 2009 trial date. The parties anticipate that the approval process described above may take
8 at least four to six months to complete. Accordingly, the parties request that the Court set a status
9 conference for some time in February 2010, at the earliest, for an update on whether the required
10 approvals have been obtained or whether the parties need additional time to obtain the approvals. The
11 parties will notify the Court if the settlement has been approved by all the required entities prior to the
12 scheduled status conference.

13 Dated: October 2, 2009
